Give It Time

D♭ A♭ E♭ D♭ A♭ E♭
Feels like a premonition, A storm behind your eyes
D♭ A♭ E♭ D♭ A♭ E♭
And all of the questions, As you lie awake at night

D♭ A♭ E♭ B♭m A♭ E♭
Is this really what I wanted, Will I ever be?
D♭ A♭ E♭ Edim7 Fm Fm7/E♭ B♭/D
Anything but a pretender, Living Inside a dream

[Chorus] D♭ A♭ E♭
Give it time, Go ahead and give it hell
Give it all you've got, Give it up for something else
It's a revelation it's a hallelujah, And it's the nature of the spirit running through ya
So take it easy, Just begin again
Take a step back from the race that you've been running in
It's the next song coming on the radio
Just when you need it, So turn it up and let it go
Turn it up and let it go
Turn it up and let it go
Turn it up and let it go

D♭ A♭ E♭ D♭ A♭ E♭
And follow the illusion, The fear behind your pride.
D♭ A♭ E♭ D♭ A♭ E♭
Come the morning you'll remember, When to run and when to fight

D♭ A♭ E♭ B♭m A♭ E♭
Is this really what I wanted, Will I ever be?

Anything but a pretender, Living Inside

[Chorus] x3 (on third time, skip 'turn it up and let it go' → A♭ D♭
